

Essential

Ideal Lift Essential Car Finish

This lift is the standard base model in the range and is available in a light or dark grey colour scheme.

Styling features:

- Suspended downlighter effect ceiling, powder coated white.
- Full height operating console, edge trim contrasting to walls, with illuminated data panel and pushes which are illuminated white until pushed, when they become illuminated red. An adjustable buzzer indicates operation to persons with impaired vision.
- Tactile (raised legends) pushes are standard.
- Light or dark grey vinyl skin plate car walls.
- Satin stainless steel tubular handrail.
- Carpet by others with PVC tiles an option.
- Light or dark grey vinyl skin plate doors and surrounds.
- 3-hour emergency lighting.
- Lift Autodial System with induction loop (3-stage emergency voice communication).
- Half height mirror to rear wall (recommended as an aid to unaccompanied wheelchair users).
- Digital lift car position and 'direction of travel' indicator.
- Voice annunciator.
- Full height door detector.
- Direction of travel arrows and gongs in car front panel.
- Meets the requirements of the DDA and complies with EN81-70.
